AVANTURA

ABOUT

Recently refurbished, MS AVANTURA will surely impress as you embark on your dream Croatian cruise. At 50 metres in length, she has the capacity for 38 persons in 18 twin or double cabins split across the main and lower deck. All cabins have up to date furnishings and equipment with comfortable bedding, own en-suite and air-conditioning. With a salon style restaurant, fully equipped bar with LCD TV and sun deck with sun loungers and a jacuzzi, you will certainly travel in style!

The design is crafted to balance privacy and socializing – from intimate corners for two, to the spacious deck ideal for enjoying the view and gathering with others at sunset. Avantura combines elegance and functionality, creating a perfect retreat for guests who wish to explore the coast in style and comfort.

Ship amenities include the air-conditioned restaurant and bar, which leads out to the alfresco dining area and lounge with sunbeds. There is a second large rooftop sundeck with more comfortable loungers and pool for relaxing between island-hopping. The rear access swim platform with ladders allows for easy access into the crystal clear waters at dedicated swim stops.
